DWS RREEF Global Real Estate Securities Master Fund JPY / LU0464609873 / DWS0Y4 / DWS Investment SA

Investment strategy

Looking for an investment to complement a traditional portfolio? Consider a fund that invests in real estate investment trusts (REITs), which present a compelling opportunity to potentially capitalize on the real estate market. Plus, because they tend to pay out nearly all of their rental income to shareholders, REITs can potentially provide compelling dividends. To access this market, consider DWS RREEF Real Estate Securities Fund and subadvisor RREEF, an experienced real estate investor.

Investment goal

The fund's investment objective is long-term capital appreciation and current income
