Invesco Environmental Climate Opportunities Bond Fund C (EUR hedged) accumulation - EUR / LU0794791441 /

Investment strategy

The Fund invests primarily in debt instruments issued by investment grade companies worldwide, which meet the Fund's environmental, social and governance (ESG) criteria as further detailed below. The Fund is, however, permitted to invest in debt instruments issued by non-investment grade or unrated companies. Screening will be employed to exclude issuers that do not meet the Fund's criteria, including but not limited to, the level of involvement in certain activities such as fossil fuels as well as non-climate-related sectors such as unconventional weapons and tobacco.

Investment goal

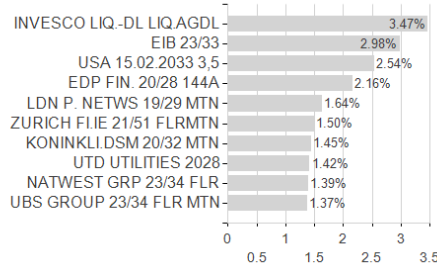

The objective of the fund is to generate income and achieve medium to long term capital growth and to support the transition to a low carbon economy over the medium to long term.
