Franklin Templeton Global Funds Plc FTGF Royce US Small Cap Opportunity Fund Klasse PR EUR ACC /

Investment goal

The Fund seeks to achieve long-term capital appreciation by investing at least 70% of its Total Asset Value in a diversified portfolio of equity securities issued by small- and microcap U.S. companies (market capitalisations of less than US\$2.5 billion). The Sub-Investment Manager attempts to take advantage of what it believes are opportunistic situations for undervalued securities.
