Raiffeisenfonds-Wachstum RZ A / AT000A1UAW0 / 0A1UAW / Raiffeisen KAG

Investment goal

Raiffeisen-Growth-Fund invests roughly three-quarters of its fund assets in international equities, roughly one-quarter in international bond funds, with the rest of the investment focused on alternative investments and derivatives. As the fund invests mainly in bonds and equities, the value of the units can be affected especially by changes in interest rates and equity prices, as well as exchange rate fluctuations. Investors profit from the earnings opportunities offered by a mixed fund investment.
