Investment strategy

The fund invests at least 51% of its assets in fixed or variable-rate securities of private debtors with a rating of at least B3 (Moody's). At least 2/3 of the investments are selected by systematically taking into account ESG criteria in accordance with responsibility requirements. The fund is classified under Article 8 of Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector («SFDR»). The securities are selected on a discretionary basis using a consistent investment process (active management). With regard to portfolio composition, the selection of stocks and the associated weightings are focused on companies from the tailored benchmark index.

Investment goal

The investment objective is to preserve the capital on a long-term basis and to generate an adequate return by investing in high-yield secured bonds worldwide.
