Investment strategy

In order to achieve this, the fund invests up to 100% of its assets in equities, bonds, certificates, money market instruments and cash. In addition the fund may invest in derivatives for hedging and investment purposes, among others in order to hedge market risks. The fund will invest in different markets and instruments depending on the overall economic cycle and assessment of the fund management. Up to 20% may be invested into asset backed securities. When selecting investments, environmental and social aspects and the principles of good corporate governance (ESG aspects) are taken into consideration alongside the financial performance.

Investment goal

The fund is actively managed. The fund is not managed in reference to a benchmark. The fund promotes environmental and social characteristics and is subject to the disclosure requirements of a financial product in accordance with article 8(1) of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector. More ESG information is available in the sales prospectus and on the DWS website. The objective of the investment policy is to achieve capital growth.
