DWS ESG Biotech TFC / DE000DWS2UA1 / DWS2UA / DWS Investment GmbH

Investment strategy

To achieve this, the fund invests mainly in equities of international companies whose revenues or earnings, as reported in the most recent annual report or other suitable documents of the company, were generated primarily from the biotechnology sector, or whose expenditure was primarily on this sector. Equities of issuers from the health care sector may also be added. When selecting the suitable investments, environmental and social aspects as well as the principles of corporate governance ("ESG standards") are of key importance for the implementation of the fund's sustainable investment strategy.

Investment goal

The fund is actively managed. The fund is not managed in reference to a benchmark. The fund promotes environmental and social characteristics and is subject to the disclosure requirements of a financial product in accordance with article 8(1) of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector. More ESG information is available in the sales prospectus and on the DWS website. The objective of the investment policy is to achieve sustained capital appreciation that exceeds the benchmark (No benchmark).
