Investment strategy

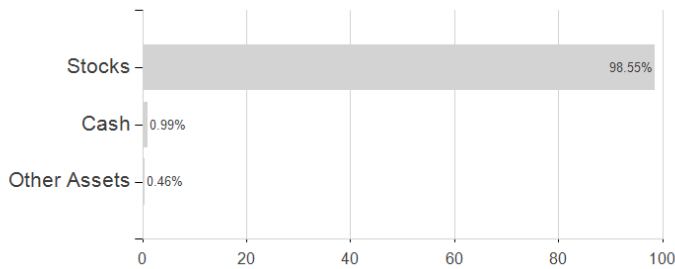

The assets of the Sub-Fund are invested either directly (min. 67% of the Sub-Fund's assets) or indirectly in worldwide equity securities. The Sub-Fund's core investments are in forward-looking themes, sectors and activities, such as clean energy, efficient resource management, healthcare, water, sustainable consumption, sustainable mobility, services and innovative management systems. Stock selection is primarily based on company specifics, with consideration also given to small and mid-cap companies. The Sub-Fund promotes environmental and social characteristics according to SFDR Art. 8, but does not have a sustainable investment objective according to SFDR Art. 9. This product considers environmental, social and governance aspects ("ESG") along the investment process with the aim to reduce controversial exposures, to align the portfolio with international norms, to mitigate sustainability risks and to harness opportunities emanating from ESG trends and to get a better-informed perspective of portfolio holdings.

Investment goal

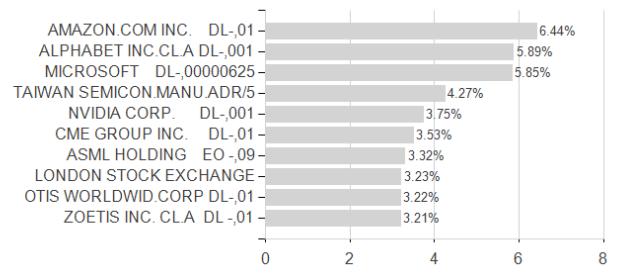

The investment objective of JSS Sustainable Equity - Global Thematic (the "Sub-Fund") is long-term capital appreciation through a globally diversified investment in equities.
