Investment strategy

The fund invests at least 70% of its assets, in high-yielding below investment grade debt securities of issuers, or in high-yielding debt securities of below investment grade issuers, that do most of their business in the Asian region, including emerging markets. These securities will be subject to high risk and will not be required to meet a minimum rating standard and may not be rated for creditworthiness by an internationally recognised rating agency. The fund may also invest in money market instruments on an ancillary basis.

Investment goal

The fund aims to achieve capital growth over time and provide a high level of income.
