Investment strategy

The fund invests at least 70% (and normally 75%) of its assets, in equities of Italian companies. The fund shall invest at least 70% in companies not engaged in real estate business, which are resident in Italy or in another EU or EEA Member State with a permanent establishment in Italy. The fund invests at least 50% of its assets in securities of companies with favourable environmental, social and governance (ESG) characteristics. In actively managing the fund, the Investment Manager considers growth and company financials, return on capital, cash flows and other measures, as well as company management, industry, economic conditions, and other factors. It also considers ESG characteristics when assessing investment risks and opportunities.

Investment goal

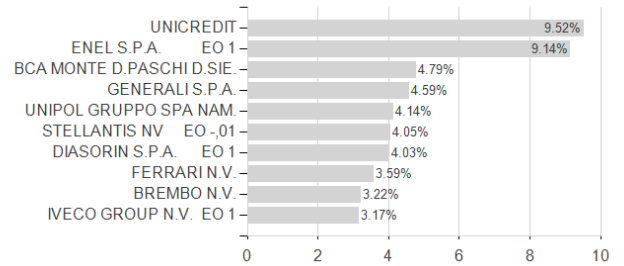

The fund aims to achieve capital growth over the long term.
