Investment strategy

In general, the fund will seek to invest at least 25% of its total net assets in debt securities (including money market instruments) generally rated Baa3 or better or BBB- or better by Nationally Recognized Statistical Ratings Organizations designated by the fund's investment adviser, or in unrated securities determined by the investment adviser to be of equivalent quality.

Investment goal

The fund seeks the balanced accomplishment of three objectives: conservation of capital, current income and long-term growth of capital and income. The fund uses a balanced approach to invest in a broad range of securities primarily domiciled in the United States, including common stocks and investment grade bonds.
