Investment strategy

The fund may invest a relatively large percentage of the fund's assets in a small number of companies. The fund will promote an environmental characteristic under Article 8 of Regulation (EU) 2019/2088 of 27 November 2019 on sustainability-related disclosures in the financial sector ("SFDR") (see the fund"s Prospectus and website for more information). The Investment Manager may also consider environmental, social and governance (ESG) factors in its fundamental analysis alongside other factors.

Investment goal

The fund"s objective is capital appreciation, measured in euros. The fund invests primarily (at least 70%) in European equity securities. Some of the countries in Europe, primarily those in Eastern Europe, are currently considered emerging market economies. The fund generally focuses its investments in companies it believes to be undervalued compared to their intrinsic value (value companies).
