AB SICAV I Low Volatility Equity Portfolio Class A PLN H / LU1877330495 / A3CQHV / AllianceBernstein LU

Investment strategy

The Investment Manager seeks to select securities that it believes are high quality, have low volatility and reasonable valuations and offer attractive shareholder returns. The Portfolio may be exposed to any currency.

Investment goal

The Portfolio seeks to increase the value of your investment over time through capital growth. Under normal market conditions, the Portfolio typically invests in equity securities of companies that are organised, have substantial business activities in developed countries as well as emerging market countries, that the Investment Manager believes have lower volatility. These companies may be of any market capitalisation and industry.
