Investment strategy

We invest in shares of European companies that are dealt in on a stock exchange and which adopted a sustainable development approach following the ESG investment policy of the Investment Manager Alken Asset Management Ltd., please refer to www.alken-am.com/esg. Voting rights are methodically exercised and there may be engagement with companies to positively influence ESG practices. We take investment decisions on the basis of our analysis of companies' financial figures and management conditions. This analysis allows us to buy companies that are likely to experience an increase in their value or companies whose share price is undervalued in comparison to their intrinsic value.

Investment goal

We aim to provide you with an increase in your capital over the long term. This Sub-Fund is promoting environmental and/or social characteristics as per Article 8 of Regulation (EU) 2019/2088 (SFDR).
