Investment strategy

The Fund invests mainly in equities and invests a maximum one third of its assets in debt securities that are converted into equities as well as in money market instruments. Within this one third portion, the Fund may invest up to 10% of its assets in exchange-traded commodities (ETCs) (so-called Delta 1 certificates), commodities funds and investments in precious metal accounts, provided the assets are settled in cash and no physical delivery may ensue, as well as up to 10% of its assets in other regulated investment funds. The Fund may also make extensive use of derivatives for the purpose of efficient portfolio management.

Investment goal

The aim of the sub-fund ("Fund") is to achieve capital growth with an appropriate return in USD. For this purpose, the Fund invests in shares worldwide, with a special focus on quality companies.
