**Capital Group Global High Income Opportunities (LUX) Ngd USD / LU1481186044 / A2DLNA / Capital Int. M. Co.**

**Investment strategy**

The fund invests primarily in emerging market bonds and corporate high yield bonds from around the world, denominated in USD and various national currencies (including emerging markets currencies). These are usually listed or traded on other regulated markets. Unlisted securities may also be purchased. In addition to the integration of sustainability risks as part of the investment adviser's investment decision making process, the investment adviser aims to manage a carbon footprint lower than the fund's selected index level as specified in the prospectus.

**Investment goal**

To provide, over the long term, a high level of total return, of which a large component is current income.

**Assessment Structure**
