**Capital Group Investment Company of America (LUX) N EUR / LU1481188925 / A2AP47 / Capital Int. M. Co.**

**Investment strategy**

The fund invests primarily in common stocks, most of which have a history of paying dividends. The fund's equity investments are generally limited to securities of companies that are included on its eligible list. In addition, the fund may invest up to 5% of its assets, at the time of purchase, in securities of companies that are not included on its eligible list. Securities are added to, or deleted from, the eligible list based upon a number of factors, such as the fund's investment objectives and policies, whether a company is deemed to be an established company of sufficient quality and a company's dividend payment prospects.

**Investment goal**

The fund's investment objectives are to achieve long-term growth of capital and income.
