abrdn SICAV I - Diversified Income Fund, A Gross MIncA USD Shares / LU2709523059 / AB0018 / abrdn Inv.(LU)

Investment strategy

The Fund invests globally in a range of asset classes, derivatives, money-market instruments and cash. The Fund may also invest in other funds (including those managed by abrdn) to gain exposure to a broad mix of assets from across the global investment universe. Asset classes that the Fund invests in may include listed equities including listed private equity, listed infrastructure, high yield bonds, emerging market bonds and asset-backed securities. The Fund follows the abrdn "Diversified Income Promoting ESG Investment Approach" (the "Investment Approach").

Investment goal

The Fund aims to achieve a combination of income and some growth by investing in an actively managed diversified portfolio of transferable securities across a wide range of global asset classes. The Fund aims to exceed the return on cash deposits (in this case represented by using the US Secured Overnight Financing Rate ("SOFR") as a benchmark) by 5% per annum over rolling five year periods (before charges). There is however no certainty or promise that the Fund will achieve this level of return.
