**JSS Sustainable Equity - Global Dividend M USD acc / LU2076228340 / A3DJAE / J.S.Sarasin Fd.M. LU**

**Investment strategy**

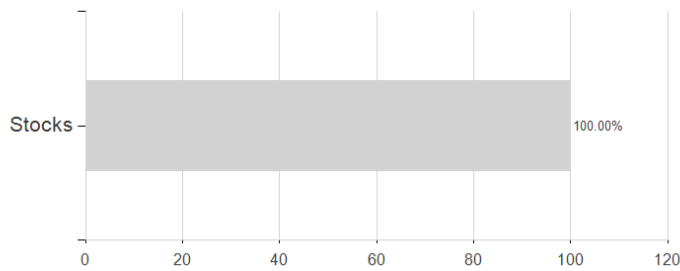

The assets of the Sub-Fund are mainly invested worldwide either directly (min. 67% of the Sub-Fund's assets) or indirectly in equity securities of companies for which an above-average and sustainable dividend yield is expected. Solid balanced sheets, healthy and consistent free cash flows, consistent earnings growth and good earnings visibility are of crucial importance when selecting the equities. Investments are made across sectors and market capitalizations and without any restriction as to the issuer's domicile. This also includes investments in the emerging markets. Emerging markets generally mean the markets of countries which are in the process of becoming modern industrial markets and therefore show higher potential, but also carry a higher risk.

**Investment goal**

The investment objective of JSS Sustainable Equity - Global Dividend (the "Sub-Fund") is to provide attractive investment income, while additionally seeking long-term capital appreciation, through investing in equities worldwide.
