Schroder International Selection Fund European Sustainable Equity C Accumulation USD / LU2539964804 / A3DW4H

Investment strategy

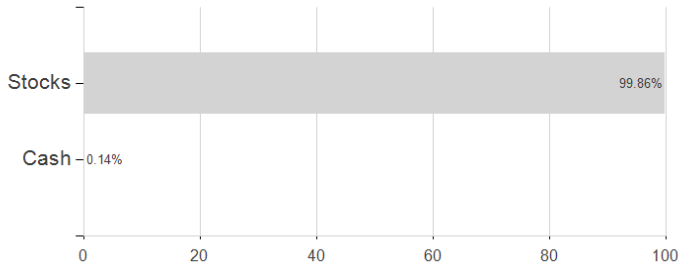

The fund is actively managed and invests at least two-thirds of its assets in equities of European companies. The fund may also invest up to one-third of its assets directly or indirectly in other securities (including other asset classes), countries, regions, industries or currencies, investment funds, warrants and money market investments, and hold cash (subject to the restrictions provided in the prospectus). The fund maintains a higher overall sustainability score than MSCI Europe (Net TR) index, based on the investment manager's rating system.

Investment goal

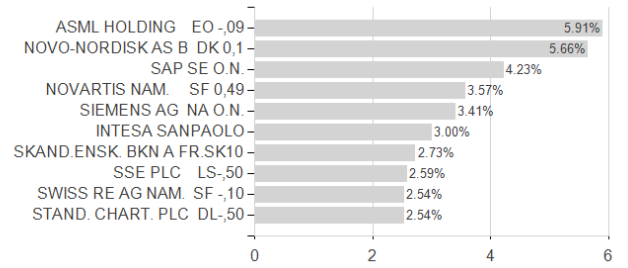

The fund aims to provide capital growth in excess of the MSCI Europe (Net TR) Index after fees have been deducted over a three to five year period by investing in equities of European companies which meet the investment manager's sustainability criteria.
