Investment goal

The Sub-Fund will achieve its investment objective by investing in a diversified portfolio of debt securities, issued or guaranteed by emerging market governments or their agencies, and by companies that are domiciled, or carrying out the main part of their economic activity, in an emerging market country (emerging and less developed markets include any country -including Russia, subject to the sanctions being lifted- or region other than the United States of America, Canada, Japan, Australia, New Zealand and Western Europe, although the Sub-Fund may invest in securities tied to those countries as well), which comply with the eligibility criteria stated in the 2010 law and the Grand-Ducal Regulation of February 8, 2008 relating to certain definitions of the amended law of 20 December 2002 on undertakings for collective investment, as amended from time to time.
