ISIN: LU1617164998 - A sub-fund of the investment company named Lyxor Index Fund (the "Company") domiciled in Luxembourg. Managed by Amundi Asset Management, a subsidiary of Amundi Group

Objectives and investment policy

The Fund is an index tracking UCITS passively managed. The investment objective of Fund is to reflect both the upward and the downward evolution of The BofA Merrill Lynch BB-CCC 1-3 Year Euro Developed Markets High Yield Constrained Index (net dividends reinvested) (the "Benchmark Index"), denominated in Euro (EUR), representative of the performance of short term high yield corporate bonds denominated in EUR and to minimize the tracking error between the Fund's performance and the performance of the Benchmark Index.

The anticipated level of tracking error in normal market conditions is indicated in the prospectus.

The Fund seeks to achieve its objective via indirect replication by entering into an over-the-counter swap contract (financial derivative instrument, the "FDI"). The Fund may also invest in a diversified portfolio of international debt securities, whose performance will be exchanged against the performance of the benchmark Index via the FDI.

Updated composition of the Fund holdings is available on www.amundiETF.com.

In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the Fund, and might also be mentioned on the websites of the stock exchanges where the Fund is listed.
