This document was published on 02/09/2023.

What is this product?

Type: Shares of a Sub-Fund of Amundi Fund Solutions, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: This Sub-Fund matures on 30/11/2028. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: The objective of this Sub-Fund is to achieve income and as a secondary objective capital appreciation over the recommended holding period by investing mainly in a diversified portfolio of Investment Grade or sub-Investment Grade debt and debt-related instruments issued by companies incorporated, headquartered or having their principal business activities in the OECD or by any government, supranational bodies, local authorities or international public bodies from any country in the world, including Emerging Markets, whereas the Sub-Fund may invest up to 100% of its net assets in sub-Investment Grade debt and debt-related instruments.

The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation. For further details on how the Sub-Fund complies with the requirements of the Disclosure Regulation, the Taxonomy Regulation and the RTS, please refer to Appendix V – ESG Related Disclosures to this Prospectus.

The Sub-Fund may invest in Money Market Instruments for treasury purposes and/or in case of unfavorable market conditions and Credit Institution Deposits in order to achieve its investment goals and/or for treasury purposes and/or in case of unfavorable market conditions denominated in Euro, GBP and US dollar.

The Sub-Fund will seek to hedge back to Euro the currency exposure from investments in instruments not denominated in Euro.

The Sub-Fund may invest up to 30% of its net assets in Emerging Markets.

The Sub-Fund's investments may include, but are not limited to, subordinated bonds, senior bonds, preferred securities and convertible securities.

The Sub-Fund's investments may include contingent convertible bonds up to 10% of its net assets and corporate hybrid bonds up to 20% of its net assets.

The Sub-Fund may invest up to 20% of its net assets in callable bonds maturing after the Maturity Date, provided they have a first call date before the Maturity Date.

The maturity or call date of the bonds will generally be compatible with the Sub-Fund's Maturity Date.

The Sub-Fund may use derivatives to reduce various risks, for efficient portfolio management and as a way to gain exposure to various assets, markets or income streams.

The Sub-Fund may also invest up to 10% of its net assets in other UCIs and UCITS.

The Sub-Fund integrates Sustainability Factors into its investment process and takes into account principle adverse impacts. When investing in third party managers it does consider principal adverse impacts of investment decisions on Sustainability Factors as long as information is available as outlined in more detail in section "Sustainable Investing" of the Prospectus and in Appendix V – ESG Related Disclosures to the Prospectus.

During the portfolio construction phase (which starts after the end of the initial subscription period and ends two weeks after the Sub-Fund's launch date, subsequently the " **Portfolio Construction Phase** "), the Sub-Fund does not invest in F- or G-rated securities (using Amundi's ESG rating methodology). At the end of the Portfolio Construction Phase, the Sub-Fund will have an ESG score of its portfolio greater than that of its investment universe, which is defined as ICE BofA Global High Yield Index.

During the reinvestment period (which starts after the end of the Portfolio Construction Phase and ends at the Sub-Fund's Maturity Date) (the " **Reinvestment Period** "), the Sub-Fund's portfolio ESG score may or may not be greater than that of its investment universe. In any case, the Sub-Fund will not invest in G-rated securities (using Amundi's ESG rating methodology). Securities which are downgraded to F- (using Amundi's ESG rating methodology) may be kept until the Sub-Fund's Maturity Date.

Benchmark: The Sub-Fund is actively managed and is not managed in reference to a benchmark.
