## What is this product?

**Type:** Units of a Sub-Fund of AMUNDI UNICREDIT PREMIUM PORTFOLIO, an FCP.

**Term:** The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

**Objectives:** This Sub-Fund seeks to achieve capital appreciation over the recommended holding period by investing in a diversified portfolio of the permissible instruments described below.

This Sub-Fund invests primarily, either directly or, indirectly, through open-ended UCIs and UCITS, in equities and equity-linked instruments. The Sub-Fund may also invest up to 30% of its assets, either directly or, indirectly, through open-ended UCIs and UCITS, in Money-Market Instruments, debt and debt-related instruments including convertible bonds and bonds with warrants attached, deposits subject to call with a maximum term of 12 months, and interest rate certificates. The Sub-Fund seeks to achieve its investment objective through an active and flexible allocation to these assets classes and aims to control volatility by applying a disciplined risk budgeting process. The Sub-Fund actively manages currency exposure and may hold positions in any currency in connection with its investments.

**Benchmark :** The Sub-Fund is actively managed. The Sub-Fund may use a benchmark a posteriori as an indicator for assessing the Sub-Fund's performance and, as regards the performance fee benchmark used by relevant share classes, for calculating the performance fees. There are no constraints relative to any such Benchmark restraining portfolio construction.

**Management Process :** The Sub-Fund integrates Sustainability Factors in its investment process and takes into account principal adverse impacts of investment decisions on Sustainability Factors as outlined in more detail in

section "Sustainable Investment" of the Prospectus.

Investment in underlying funds is made using in-house research techniques to evaluate the people involved, the team structure and experience, the investment philosophy, the key management and administration policies and processes (e.g. risk management, remuneration) of those underlying funds. Past performance is assessed in relation to the underlying funds' risk in different markets conditions and in the context of relevant peer groups.

This is a non-distributing unit class. Investment income is re-invested.

The minimum recommended holding term is 6 years.

Investors may sell on demand on any business day in Luxembourg.

**Intended Retail Investor:** This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment over the recommended holding period and who are prepared to take on a high level of risk to their original capital.

**Redemption and Dealing:** Units may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the AMUNDI UNICREDIT PREMIUM PORTFOLIO prospectus.

**Distribution Policy:** As this is a non-distributing unit class, investment income is reinvested.

**More Information:** You may get further information about the Sub-Fund, including the prospectus, and financial reports which are available at and free of charge on request from: Amundi Luxembourg S.A. at 5, allée Scheffer 2520 Luxembourg, Luxembourg.

The Net Asset Value of the Sub-Fund is available on [www.amundi.lu](http://www.amundi.lu).

**Depositary:** Societe Generale Luxembourg.

## What are the risks and what could I get in return?

### RISK INDICATOR

Lower Risk

Higher Risk

The risk indicator assumes you keep the product for 6 years.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

### PERFORMANCE SCENARIOS

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the Sub-Fund over the last 6 years plus 5 years. Markets could develop very differently in the future. The stress scenario shows what you might get back in extreme market circumstances.

**What you get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.**

## What happens if Amundi Luxembourg S.A. is unable to pay out?

A separate pool of assets is invested and maintained for each Sub-Fund of AMUNDI UNICREDIT PREMIUM PORTFOLIO. The assets and liabilities of the Sub-Fund are segregated from those of other sub-funds as well as from those of the Management Company, and there is no cross-liability among any of them. The Sub-Fund would not be liable if the Management Company or any delegated service provider were to fail or default.

## What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, and how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- CZK 10,000 is invested.
