What happens if AXA INVESTMENT MANAGERS PARIS S.A. is unable to pay out?

The product is constituted as a separate entity from AXA Investment Managers Paris S.A. In case of default of AXA Investment Managers Paris S.A., the assets of the product kept by the custodian will not be affected. In case of default of the custodian, the risk of financial loss of the product is mitigated because of the legal segregation of the assets of the custodian from those of the product.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.

- USD 10 000 is invested

	If you exit after 1 year	If you exit after 5 years
Total costs	\$458	\$1 267
Annual cost impact (*)	4.6%	2.3% each year

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 5.08 % before costs and 2.76 % after costs.

We may share part of the costs with the person selling you the Product to cover the services they provide to you. They will inform you of the amount.

Composition of Costs

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	3.00 % of the amount that you pay when you enter the investment. This includes distribution costs of 3.00 % of the amount invested. This is the maximum amount you will pay. The person who sold you the product will inform you of the actual costs.	Up to \$300
Exit costs	We do not charge an exit fee for this Product.	\$0
Ongoing costs taken each year		
Management fees and other administrative or operating costs	1.49% of the value of your investment per year. This percentage is based on actual costs over the last year.	\$144
Transaction costs	0.14 % of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	\$14
Incidental costs taken under specific conditions		
Performance fees (and carried interest)	There is no performance fee for this Product.	\$0
