Note 13 - Significant events during the financial statements reporting period

Since 24th February 2022, the ongoing war in Ukraine and the related sanctions targeting the Russian Federation have affected and continue to affect European and global economies. The following two Sub-Funds have direct exposure to Ukrainian, Russian and/or Belarusian securities :

- BL Bond Emerging Markets Euro: a position in a bond issued by the Ministry of Finance of the Russian Federation, representing 0.29% of the net assets of the Sub-Fund as at 31st March 2024;
- BL Bond Emerging Markets Dollar : a position in a bond issued by the Ministry of Finance of the Russian Federation, representing 0.97% of the net assets of the Sub-Fund as at 31st March 2024.

Even if the SICAV's exposure to Ukrainian, Russian and/or Belarusian securities is relatively low, the general impact of the war on the general economic situation could, during the current and next financial years, lead to a revision of certain scenarios and estimates, including significant adjustments to the value of certain assets in the portfolio. At this stage, the SICAV is unable to estimate this impact. The Board of Directors of the SICAV and the Management Company will continue to monitor market trends and, in consultation and coordination with the main service providers of the SICAV, to assess their impact on the net assets of the SICAV, its activities and organisation. The SICAV's activities have remained fully operational at all times.

By circular resolution dated 6th October 2023, the Board of Directors of the SICAV approved the amendment of the delegation model of the central administration, designating UI efa S.A. as Central Administration, by delegation of the Management Company, in replacement of BDL, with effect from 1st October 2023.

With effect from 25th March 2024, the Board of Directors of the SICAV and the Board of Directors of Funds for Good ("FFG") have decided to merge the Sub-Fund BL GLOBAL IMPACT into the Sub-Fund FFG - GLOBAL IMPACT EQUITIES of FFG.
