

BNP Paribas L1 Equity Best Selection World

abbreviated as **BNPP L1 Equity Best Selection World**

About the Company

BNP Paribas L1 established in Luxembourg on 29 November 1989 for an indefinite period as an open-ended investment company (société d'investissement à capital variable - abbreviated to SICAV) with multiple subfunds in accordance with the provisions of Part I of the Law of 30 March 1988 governing collective investment undertakings.

It is currently subject to the provisions of Part I of the Law of 20 December 2002 governing collective investment undertakings and to European Directive 85/611/EEC as amended by Directives 2001/107/EC and 2001/108/EC.

The full name (BNP Paribas L1) and the abbreviated name (BNPP L1) may be used interchangeably in the company's official and commercial documents.

Investment objective

To increase asset value in the medium term

Investment policy

This subfund invests at least 2/3 of its assets in shares or other similar securities of a limited number of companies that are characterised by the quality of their financial structure and/or their potential for positive earnings growth and in derivative financial instruments on this type of asset.

The remaining portion, namely a maximum of 1/3 of its assets, may be invested in any other transferable securities, money market instruments, derivative financial instruments or cash, provided that investments in debt securities of any kind do not exceed 15% of its assets, and up to 10% of its assets may be invested in other UCITS or UCI.

Risk profile

Potential investors are requested to read the full prospectus carefully before making any investment. No guarantee can be given that the investment objectives of subfunds will be achieved, and past performance is no guarantee of future performance. Any investment may also be affected by any changes to rules relating to currency exchange controls, taxation or withholding at source, or in terms of economic and monetary policies.

Investors are also warned that the performance of subfunds may not meet their objectives and that their invested capital (after deduction of subscription fees) may not be repaid in full.

This subfund is subject to medium levels of market risk and performance risk.
