

Key investor information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

DWS Invest Global Agribusiness, a sub-fund of the SICAV DWS Invest

Share class E2 Security code: DWS0BY ISIN: LU0273177401

Management Company: DWS Investment S.A., a member of the Deutsche Bank Group.

Objectives and investment policy

The objective of the investment policy is to achieve sustainable capital growth. In order to achieve this, the fund invests primarily in equities of domestic and foreign issuers which are predominantly active in or benefit from the agricultural industry. The agricultural industry includes companies involved in the planting, harvesting, planning, production, processing, service and sale of agricultural products. In this context, the selection of individual investments is the responsibility of the fund management. The fund is subject to various risks. A more detailed description of risks can be found under 'Risks' in the sales prospectus. The currency of DWS Invest Global Agribusiness is USD, the currency of the E2 share class is USD. Returns and gains are not distributed but are reinvested in the fund. You may request the redemption of shares on each valuation day. The redemption may only be suspended in exceptional cases taking into account your interests as an investor.

Risk and reward profile

The calculation of the risk and reward profile is based on historical data that cannot be used as a reliable indicator for the future risk profile. This risk indicator is subject to changes; the classification of the fund may change over time and cannot be guaranteed. Even a fund that is classified in the lowest category (category 1) does not represent a completely risk-free investment. The fund is classified in category 7 because its share price may fluctuate very strongly and the likelihood of both losses and gains may therefore be very high.

Charges

The costs and fees borne by you are used for the management, administration and custody of the fund, as well as for its distribution and marketing. These costs restrict the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	No initial sales charge
Exit charge	No redemption fee
Charges taken from the fund over a year	
Ongoing charge	0,86 %
Charges taken from the fund under certain specific conditions	
Performance fee	None

The current costs specified here were incurred in the fiscal year of the fund, which ended on 31.12.2011. They may change from year to year. The current costs do not include the performance-based fee and the transaction costs. Additional information on costs can be found under "Costs" in the sales prospectus. Shares may in many cases be exchanged for shares in another asset class of the same or another DWS Invest SICAV sub-fund subject to various conditions. Details can be found in the "Exchange of shares" section of the sales prospectus.

Past performance

Past performance is not a reliable indicator of future performance. All costs and fees that were withdrawn from the E2 share class of DWS Invest Global Agribusiness were deducted during the calculation. The E2 share class of DWS Invest Global Agribusiness was launched in 2006. The performance was calculated in USD.
