a sub-fund of Fidelity Funds

Fidelity Funds - China RMB Bond Fund Y-ACC-USD

(ISIN:LU0740036727)

This fund is managed by FIL Investment Management (Luxembourg) S.A.

Objectives and Investment Policy

Objective: The fund aims to achieve capital growth over time and provide income. With effect from 14 November 2022 the Objective will be 'The fund aims to maximise total return over the long term'.

Investment Policy: The fund aims to achieve its investment objective through exposure to RMB denominated debt, money market instruments, cash and cash equivalents (including term deposits). The fund invests at least 70% of its assets, in investment grade debt securities denominated in RMB, investment grade securities of issuers that do most of their business in the Asia Pacific region, securities denominated in RMB of investment grade issuers, or in securities of investment grade issuers that do most of their business in the Asia Pacific region, including emerging markets.

The fund invests at least 50% of its assets in securities of issuers with favourable environmental, social and governance (ESG) characteristics.

The fund may invest, directly or indirectly, in the following assets according to the percentages indicated:

Listed China onshore bonds (directly and/or indirectly): up to 100%

hybrids and contingent convertible (CoCo) bonds: less than 30%, with less than 20% in CoCos.

The fund may invest in other subordinated financial debt and preference shares.

The fund's exposure to distressed securities is limited to 10% of its assets.

Exposure to non-RMB investments may be hedged to maintain the currency exposure to RMB.

Investment Process: In actively managing the fund, the Investment Manager considers issuer financials, such as revenue and profit growth, cash flows and credit analysis, as well as market and macroeconomic factors. It also considers ESG characteristics when assessing investment risks and opportunities. In determining favourable ESG characteristics, the Investment Manager takes into account ESG ratings provided by Fidelity or external agencies. Through the investment management process the Investment Manager aims to ensure that investee companies follow good governance practices.

The fund adheres to the Fidelity Sustainable Investing Framework standards. For more information, see "Sustainable Investing and ESG Integration".

Derivatives and Techniques: The fund may use derivatives for hedging, efficient portfolio management and investment purposes.

Benchmark: None.

Risk Management Method: Commitment.

Base Currency: USD.

Distribution: As this is a non-distributing share class, dividends are re-invested.

Risk and Reward Profile

Historical data may not be a reliable indication for the future.

The risk category shown is not guaranteed and may change over time.

The lowest category does not mean a "risk free" investment.

The risk and reward profile is classified by the level of historical fluctuation of the Net Asset Values of the share class, and within this classification, categories 1-2 indicate a low level of historical fluctuations, 3-5 a medium level and 6-7 a high level.

The value of your investment may fall as well as rise and you may get back less than you originally invested.

The fund may invest in instruments denominated in currencies other than the fund base currency. Changes in currency exchange rates can therefore affect the value of your investment.

This Fund is categorised in risk class 4 because, in accordance with the investment policy, the value of the investments may fluctuate moderately. Consequently, both the expected return and the potential risk of loss may be average.

Additional risks: liquidity, credit.
