This document was published on 29/03/2024.

What is this product?

Type: Shares of a Sub-Fund of First Eagle Amundi, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: Seeks to offer current income generation consistent with long term capital growth.

Investments: The Sub-Fund will seek to allocate 80% of its net assets in income-producing transferable securities and instruments. A value approach, consisting of a bottom-up fundamental analysis, is applied to identify income-producing equities and Debt Securities offering an attractive expected return relative to their risk level.

The Sub-Fund shall invest in:

- German Investment Tax Act: At least 25% of the Sub-Fund's net asset value is continuously invested in equities listed on a stock exchange or traded on an organised market. For the sake of clarity, investments in Real Estate Investment Trusts (as such term is defined by the German Ministry of Finance) and UCITS or UCIs are not included in this percentage.
- Equity-linked Instruments
- · convertible bonds
- Debt Securities, including up to 20% of the net assets in Asset Backed Securities and Mortgage-Backed Securities
- Deposits
- units/shares of UCITS and/or UCIs (up to 10% of its net assets)

The Sub-Fund may also seek exposure to commodities up to 25% of its net assets. No more than 50% of the Sub-Fund's net assets will be invested in bonds that are below investment grade, and no investments will be made in Distressed Securities. Securities that become distressed after purchase may be kept, however, they will in any case not exceed 5% of the Sub-Fund's net assets. Investments will be made without any restrictions in terms of geographic allocation (including emerging markets), market capitalisation, sector or time to maturity.

Benchmark: The Sub-Fund is actively managed. The Sub-Fund uses the Secured Overnight Financing Rate (SOFR) plus the corresponding hurdle for each relevant share class a posteriori as an indicator for assessing the Sub-Fund's performance and, as regards the performance fee benchmark used by relevant share classes, for calculating the performance fees. There are no constraints relative to any such Benchmark restraining portfolio construction. Management Process: The Sub-Fund integrates Sustainability Factors in its investment process and, based on Amundi's proprietary ESG rating system (with A the highest rating and G the lowest). The Sub-Fund will seek to achieve an ESG score of its portfolio greater than that of its investment universe. SFDR product category: Article 8.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment and to receive income over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the First Eagle Amundi prospectus.

Distribution Policy: As this is a distributing share class, investment income is distributed.
