## JPM US Technology A (dist) - GBP

a Share Class of JPMorgan Funds – US Technology Fund. The management company is JPMorgan Asset Management (Europe) S.à r.l.

## Objectives, Process and Policies

### INVESTMENT OBJECTIVE

To provide long-term capital growth by investing primarily in technologies (including but not limited to technology, media and communication services) related US companies.

### INVESTMENT PROCESS

#### Investment approach

- Uses a fundamental, bottom-up stock selection process.
- Seeks to identify the best investment ideas in technology-driven sectors.

**Share Class Benchmark** Russell 1000 Equal Weight Technology Index (Total Return Net of 30% withholding tax)

#### Benchmark uses and resemblance

- Performance comparison.

The Sub-Fund is actively managed. Though the majority of its holdings (excluding derivatives) are likely to be components of the benchmark, the Investment Manager has broad discretion to deviate from its securities, weightings and risk characteristics.

The degree to which the Sub-Fund may resemble the composition and risk characteristics of the benchmark will vary over time and its performance may be meaningfully different.

### POLICIES

**Main investment exposure** At least 67% of assets invested in equities of companies related to technologies (including but not limited to technology, media and communication services) that are domiciled, or carrying out the main part of their economic activity, in the US. The Sub-Fund may invest in small capitalisation companies.

At least 51% of assets are invested in companies with positive environmental and/or social characteristics that follow good governance practices as measured through the Investment Manager's proprietary ESG scoring methodology and/or third party data.

The Sub-Fund invests at least 20% of assets excluding Ancillary Liquid Assets, Deposits with Credit Institutions, money market instruments, money market funds and derivatives for EPM, in Sustainable Investments, as defined under SFDR, contributing to environmental or social objectives.

The Sub-Fund excludes certain sectors, companies / issuers or practices from the investment universe based on specific values or norms-based screening policies. These policies set limits or full exclusions on certain industries and companies based on specific ESG criteria and/or minimum standards of business practice based on international norms.

To support this screening, it relies on third party provider(s) who identify an issuer's participation in or the revenue which they derive from activities that are inconsistent with the values and norms based screens. Third party data may be subject to limitations in respect of its accuracy and / or completeness. The exclusions policy for the Sub-Fund can be found on the Management Company's Website ([www.jpmorganassetmanagement.lu](http://www.jpmorganassetmanagement.lu)).

The Sub-Fund systematically includes ESG analysis in its investment decisions on at least 90% of securities purchased.

**Other investment exposures** Canadian companies.

Up to 20% of net assets in Ancillary Liquid Assets and up to 20% of assets in Deposits with Credit Institutions, money market instruments and money market funds for managing cash subscriptions and redemptions as well as current and exceptional payments. Up to 100% of net assets in Ancillary Liquid Assets for defensive purposes on a temporary basis, if justified by exceptionally unfavourable market conditions.

**Derivatives Used for:** efficient portfolio management; hedging. **Types:** see [Sub-Fund Derivatives Usage](#) table under [How the Sub-Funds Use Derivatives, Instruments and Techniques](#) in the Prospectus. **TRS including CFD:** none. **Global exposure calculation method:** commitment.

**Currencies** *Sub-Fund Base Currency:* USD. *Currencies of asset denomination:* typically USD. *Hedging approach:* not applicable.

**Redemption and Dealing** Shares of the Sub-Fund may be redeemed on demand, with dealing normally on a daily basis.

**Distribution Policy** This Share Class normally pays an annual dividend in September based on reportable income. This Share Class intends to qualify as a reporting fund under UK tax law for offshore funds.

## Risk and Reward Profile

The above rating is based on the historic volatility of the Net Asset Value of the Share Class over the last five years and may not be a reliable indication of the future risk profile of the Share Class.

The risk and reward category shown above is not guaranteed to remain unchanged and may change over time.

A Share Class with the lowest risk rating does not mean a risk-free investment.

**Why is this Share Class in this category?** This Share Class is classified in category 7 because its Net Asset Value has shown very high fluctuations historically.

### OTHER MATERIAL RISKS

The Sub-Fund is subject to **Investment risks** and **Other associated risks** from the techniques and securities it uses to seek to achieve its objective.

The table on the right explains how these risks relate to each other and the **Outcomes to the Shareholder** that could affect an investment in the Sub-Fund.

Investors should also read [Risk Descriptions](#) in the Prospectus for a full description of each risk.

Exit charge	0.50%	
Charges taken from this Share Class over a year		
Ongoing charge	1.79%	The ongoing charge is estimated and is based on the expected charges. This includes a stock lending fee. The UCITS' annual report for each financial year will include details on the charges made.
Charges taken from this Share Class under certain specific conditions		
Performance fee	None	

- The entry and exit charges are the maximum charge and investors may pay less. Information on charges can be obtained from the investor's financial adviser, distributor or any country specific addendum to the Prospectus.
- A switching charge not exceeding 1% of the Net Asset Value of the shares in the new Share Class may be charged.
- Charges are used to pay the costs of running this Share Class, including the costs of marketing and distribution. These charges reduce the potential growth of the investment.
- Further information about charges can be found in the "Share Classes and Costs" section of the Prospectus.

## Past Performance

- Past performance is not a guide to future performance.
- Performance data has been calculated including tax, ongoing charges and portfolio transaction costs and excluding entry and exit charges, in GBP.
- Where no past performance is shown there was insufficient data available in that year to provide performance.
- Sub-Fund launch date: 1997.
- Share Class launch date: 2000.

1 A different benchmark was used during this period.
