Simplified prospectus of the subfund  
Sarasin Investmentfonds  
SICAV

---

This simplified prospectus contains key information about Sarasin Investmentfonds – Sarasin OekoSar Portfolio (hereinafter referred to as “the fund” “the subfund” or “Sarasin OekoSar Portfolio”), a subfund of Sarasin Investmentfonds (“the Company”). The Company is managed by Sarasin Fund Management (Luxembourg) S.A. (the “management company”). Should you require further information before investing, please consult the full prospectus of Sarasin Investmentfonds SICAV. Therein you will find information about the rights and obligations of the investor. The full prospectus and the annual and semi-annual reports can be obtained free of charge from the Company or the principal distributor (see “Additional important information”). Detailed information on the investments of the subfund can be found in the latest annual or semi-annual report.

**Investment objective**

The investment objective of Sarasin OekoSar Portfolio is long-term capital appreciation through balanced risk diversification.

**Investment policy**

The assets of the Sarasin OekoSar Portfolio subfund are invested mainly on a worldwide basis in equities and fixed income securities denominated in euro or other currencies. The subfund may also invest part of its assets in convertible bonds and bonds with warrants, fixed or floating rate securities (including zero bonds) as well as in warrants and comparable assets. The subfund may also invest in shares of other UCITS/UCIs and in derivatives as stipulated in section 3.3 of the full prospectus entitled “Investment Restrictions”, although a leverage effect on the subfund’s net assets is not permitted. The subfund may hold ancillary liquid assets. The subfund invests in companies and organisations that actively contribute to sustainable development. These companies distinguish themselves through their strategic focus on environmentally friendly, eco-efficient management and proactive shaping of relations with key stakeholder groups (e.g. employees, customers, financial backers, shareholders, public sector bodies, etc.). The subfund therefore invests in the industry leaders who take advantage of the concept of sustainable development as a strategic opportunity. Individual industries may be excluded. An interdisciplinary advisory board assists the investment manager with regard to the concept, selection criteria and definition of excluded activities. It discusses new scientific and social findings with the investment advisor. The advisory board has no decision-making powers. It is composed of experts in the fields of natural sciences, social sciences and economics.

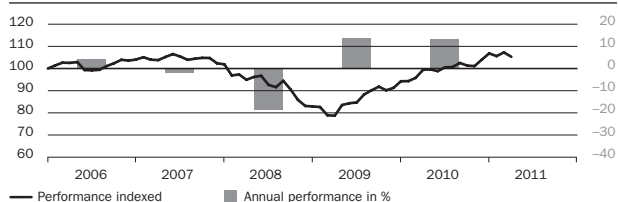

**Risk profile**

Investments in a fund can fluctuate in value, and there is no guarantee that the shares can be sold for the original capital amount invested.

In addition, if the investor’s reference currency differs from the Fund’s investment currency(ies), a currency risk exists. As the Sarasin OekoSar Portfolio subfund invests in equities and fixed and floating rate securities, its performance is primarily influenced by company/issuer-specific changes and changes in the economic and interest rate environment. It aims to reduce risk by actively diversifying its investments.

This fund has a risk classification of 3 (risk classes: 1: low, 2: moderate, 3: medium, 4: above average, 5: high). A detailed

description of the risks and the risk classes can be found in the full prospectus.

**Investor profile**

This subfund is suited to investors with a medium to long-term investment horizon seeking capital appreciation combined with optimum risk diversification.

Sarasin OekoSar Portfolio is intended as a core investment based on dynamic asset allocation (equities and bonds) for private and institutional investors wishing to support environmentally sound economic growth.

**Dividend policy**

The Company intends to pay out at least 85% of the investment income, less general expenses (“ordinary net income”), to class A shareholders every year, as well as a portion of the realised capital gains, less capital losses (“net capital gains”), such portion being decided by the general meeting of the relevant subfund. The Company does not distribute dividends to shareholders of classes B, F or M (see also “Additional important information” under “Share classes” and “Share classes issued”). A corresponding amount will be attributed to these shareholders at the time of a dividend distribution. Dividends are normally distributed in October.

**Fees and expenses payable by the subfund**

Annual fees and expenses payable by the subfund: Management fee of up to 1.75% for class A and B shares, if issued, up to 1.20% for class F shares, if issued, and up to 0.20% for class M shares, if issued.

Service charge of up to 0.195% p.a. for all issued share classes. Luxembourg “taxe d’abonnement” of 0.05% on class A and B shares and 0.01% on class F and M shares.

All other fees and expenses of the Company such as custodian and paying agent fees (max. 0.1% p.a. plus reimbursement of the fees and expenses of the collective custodians and foreign correspondent banks it uses) and all paying agents and local representatives in the distribution countries are charged to the subfund prorata to its assets. This also applies to expenses resulting from the general business operations of the Company.

**Total expenses (TER)**

Year 2009 = 2.11%; 07/2009 to 06/2010 = 2.09%  
In accordance with the official definition of the total expense ratio (TER), costs for securities transactions are not taken into account.

**Portfolio turnover rate (PTR)**

Year 2009 = 42.62%; 07/2009 to 06/2010 = 33.55%

**Tax status**

The Company is subject to Luxembourg law. In accordance with current law in Luxembourg, the Company is not subject to any Luxembourg income, capital gains or wealth tax.

Pursuant to current tax legislation, shareholders are not subject in Luxembourg to any capital gains, income, withholding, gift, inheritance or other tax (except for (i) shareholders domiciled, resident or having a permanent establishment in Luxembourg, (ii) investors not resident in Luxembourg who hold 10% or more of the equity capital of the Company and who dispose of all or part of their shares within 6 months of the acquisition date (iii) and certain former residents of Luxembourg, if owning more than 10% of the shares of the Company).

In accordance with the provisions of European Union Council Directive on the taxation of savings income in the form of interest payments (the "Directive"), which entered into force on 1 July 2005, the payment of interest and the redemption of shares of various subfunds by an EU or Swiss paying agent to a beneficial owner whose tax residence is in an EU member state will for a transitional period incur a withholding tax of 20% until 30 June 2011, and 35% thereafter. Rather than paying the withholding tax, the beneficial owner in question may also ask that the automatic exchange of information as provided for under the Directive be applied.

**Taxation in the investor's country of residence**

Investors are advised to inform themselves of the legislation and all regulations governing the purchase, ownership and possible sale of shares of the subfund applicable in relation to their country of residence, residence for tax purposes or nationality.

**Daily publication of prices**

The net asset value per share is published daily on the internet platform of the Swiss Fund Data AG ([www.swissfunddata.ch](http://www.swissfunddata.ch)) and in the following newspapers:

Switzerland: NZZ (Neue Zürcher Zeitung), Le Temps and the Basler Zeitung (each with the note "excluding fees")

Austria: Die Presse

Great Britain: Financial Times

Liechtenstein: Liechtensteiner Volksblatt (every two weeks)

Prices are also published in the main business media of the distribution countries, on Reuters and the Internet ([www.sarasin.ch](http://www.sarasin.ch)).

Compulsory publications in Switzerland shall be made in the Swiss official Gazette of Commerce (Schweizerische Handelsamtsblatt – SHAB) and on the internet platform of the Swiss Fund Data AG ([www.swissfunddata.ch](http://www.swissfunddata.ch)).

**Issue and redemption of shares**

Subscriptions and redemptions of shares of the subfund are accepted at the net asset value by the principal distributor and other representatives. Subscription and redemption orders received by the principal distributor (see the section entitled "Additional important information") no later than 15.00 (CET) on a business day (the "order day") are executed on the next business day (the "valuation day") on the basis of the net asset value calculated for the order day. For all orders received by the principal distributor after 15.00 the next business day shall constitute the order day.

**Conversion of shares**

The same applies for requests to convert shares of the subfund into shares of another subfund of the Company.

**Fees payable by the investor**

The fees payable by the investor for the purchase and sale of shares or the issue and redemption of shares are as follows:

Sales fee: maximum 5% of the purchase or subscription amount

Redemption fee: maximum 1% of the sale or redemption amount in favour of the distributor and maximum 0.4% of the sale or redemption amount in favour of the subfund to cover the cost of selling portfolio securities (see also "Fees and expenses payable by the subfund").

**Redemption fees in favour of the distributor are not charged at present.**
