Lazard Global Investment Funds Public Limited Company (the "Company") is authorised in Ireland and regulated by Central Bank of Ireland.

KID production date: 17 May 2024.

What is this product?

Type: Lazard European Alternative Fund (the "Fund") is a sub-fund of the Company, an Irish UCITS investment fund company.

Product Term: The Fund does not have a maturity date however the PRIIP Manufacturer can unilaterally decide to terminate the Product at the discretion of the Directors of the Company on giving thirty days written notice to shareholders.

Objective: The Fund aims to seek long-term capital growth.

The Fund is actively managed and will pursue its objective primarily by investing in a diversified portfolio of equities (i.e. shares) and equity-related securities (i.e. shares including common and preferred stock, ADRs, GDRs and convertible securities (securities that are convertible into the equity securities of the issuer)) of companies that are domiciled, incorporated or listed in Europe or which are not domiciled, incorporated or listed in Europe but which derive significant sources of profit from or have close economic links with Europe and in other financial instruments which provide exposure to such shares.

The Fund may invest up to 10% of its value in shares of companies that are domiciled, incorporated or listed in non-European countries which do not have close economic links with Europe.

Up to 20% of the Fund's value may be invested in emerging markets.

The Fund may gain exposure to the asset classes above either by investing in them directly, or by using derivatives (which are financial contracts whose value is linked to the price of an underlying investment).

As a result of its use of derivatives, the Fund may be 'geared' or 'leveraged' (which can lead to a proportionately much larger movement in the value of the Fund's assets). The expected level of the Fund's leverage (as measured by the gross notional value of all derivatives positions) will be 100% of the value of the Fund.

The Fund has discretion as to which investments it will hold within the limits of the Investment Objective and Policy.

The Fund's performance is measured against the performance of the MSCI Europe Net Total Return Index (the "Benchmark"), which the Investment Manager has assessed to be the most appropriate Benchmark for measuring performance. The Fund is not constrained by the Benchmark as it has flexibility to invest in securities and asset classes not included in the Benchmark.

Income and profits, if any, attributable to your shares will not be paid out as a dividend but will be accumulated in the Fund on your behalf and reflected in an increase in the value of your holdings.

The Fund promotes environmental and/or social characteristics within the meaning of Article 8 of Regulation (EU) 2019/2088, the "SFDR Regulation".

The Company's depositary is State Street Custodial Services (Ireland) Limited (the "Depositary").

This document describes a share class of the Fund, which is a sub-fund of the Company. The Company is comprised of a number of sub-funds (including the Fund), each having a separate portfolio of assets. As a matter of Irish law, the assets of one sub-fund will not be available to meet the liabilities of another. However, the Company is a single legal entity that may operate, have assets held on its behalf, or be subject to claims in other jurisdictions that may not necessarily recognise such segregation. You may switch between share classes and sub-funds of the Company. See "Switching Between Share Classes and Funds" in the prospectus for the Company (the "Prospectus").

Further information about the Fund and about the Company's other sub-funds/share classes including those marketed in your Member State may be obtained from the Prospectus (available in English and German), the annual and half-yearly Report and Accounts which are prepared for the Company as a whole (available in English, German and Italian). These documents are available free of charge from Lazard Fund Managers (Ireland) Limited, 4th Floor, Lumen Building, Upper Baggot St. Dublin 4 or at www.lazardassetmanagement.com.
