31/01/2022, 1/2

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

LGT Crown Listed Private Equity (the "Fund") a sub-fund of the Crown Sigma UCITS plc (the "UCITS") Class C (USD) – ISIN/Valor: IE00BJVWTK08/25125844

This Fund is managed by LGT Capital Partners (Ireland) Limited (the "Manager").

1. Objectives and Investment Policy

The Fund aims to achieve an appreciation of capital over the medium to long-term. The Fund focuses on investments in listed private equity companies that may be based in any region and may engage in a variety of private equity activities. The Fund will mainly invest in equities and equity related transferable securities which relate to private equity, though to a lesser extent may also invest in fixed income securities issued by such companies. The Fund may invest up to 30% of its net asset value in, or generate exposure to, fixed income securities (including corporate or government bonds, which may be fixed or floating and may be investment grade or below investment grade, as determined by Standard & Poor's Rating Group or any similar recognised rating agency). The Fund may also invest in convertible bonds. However the Fund may also invest up to 10%

of its net asset value in securities of these types that are unlisted. The Fund may invest in derivatives (financial instruments derived from other securities or assets) for hedging purposes, efficient portfolio management and / or investment purposes. The Fund's portfolio is actively managed. The Fund is not managed in reference to a benchmark. The Fund may have positions in cash and cash equivalents. Investors may on a weekly basis subscribe for shares of the Fund and may on a weekly basis redeem shares of the Fund. Any income generated by the Fund is reinvested in the Fund, which increases the value of the shares. The portfolio transaction costs may have a material impact on performance. The Fund may not be appropriate for investors who plan to withdraw their money within less than 7 years.

2. Risk and Reward Profile

Typically lower rewards and lower risk

Typically higher rewards and higher risk

- This risk indicator is based on historical data; future developments can therefore not be predicted. The classification of the Fund may change in the future and is not a guarantee.
- The lowest category does not mean "risk free".

For further information on the Fund's risks, please refer to the detailed description in the prospectus.

The Fund has been classified as **category 6**, as its unit price usually fluctuates strongly, which means that both the risk of loss and profit opportunities are high.

The following are typical risks to which the fund may be exposed:

- Market risks:** The risk of losses in an investment arising from adverse movements in market prices.
- Liquidity risks:** The risk that the Fund is unable to meet short term financing demands or has to sell investment securities at lower price levels under the condition of reduced market demand.
- Operational risks:** The risk of the Fund incurring losses as a result of inadequate or failed processes, people or systems failures, or from external or force majeure events.
- Political and legal risks:** The risk of change in rules and standards applied in the jurisdiction of an asset of the Fund. This includes restrictions on currency convertibility, the imposition of taxes or transaction controls, limitations on property rights or other legal risks. Investments in less developed financial markets may expose the Fund to increased operational, legal and political risk.
- Credit / counterparty risks:** The risk that a counterparty fails to meet contractual financial obligations on a timely basis.
- Currency risks:** The risk of losses arising from currency fluctuations, in case the currency of an asset is different from the Fund and/or investor's investment currency.
