Background to the Company

SSGA SPDR ETFs Europe I plc (the “Company”) was incorporated on 5 January 2011 under registration number 493329 and operates in Ireland as a public limited company under the Companies Act 2014. It was authorised by the Central Bank of Ireland (the “Central Bank”) on 7 March 2011.

The Company is an open-ended investment company with variable capital which is authorised by the Central Bank, under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended and is authorised and regulated by the Central Bank, under the Central Bank (Supervision And Enforcement) Act 2013 (Section 48(1)) (Undertakings For Collective Investment In Transferable Securities) Regulations 2019 (the “UCITS Regulations”).

The Company is an umbrella investment company and has segregated liability between its sub-funds (each a “Fund”, collectively the “Funds”) and accordingly any liability incurred on behalf of or attributable to any Fund shall be discharged solely out of the assets of that Fund. The Company currently has fifty-two live constituent Funds and various classes of shares.

Net Assets under management for the Company at 31 March 2024 amounted to USD 59,888,020,909 (31 March 2023: USD 46,187,960,717 and 31 March 2022: USD 45,338,821,760). The Net Assets under management for each Fund is detailed below, the published Net asset value per share is disclosed on the Statement of Financial Position of each Fund.

Fund	Launch date of Active Funds	Functional Currency	Net Assets 2024	Net Assets 2023	Net Assets 2022

Background to the Company (continued)

INVESTMENT OBJECTIVE

SPDR Bloomberg 0-3 Year Euro Corporate Bond UCITS ETF

The investment objective of the Fund is to track the performance of the short-dated, fixed-rate, investment-grade Euro-denominated corporate bond market. The investment policy of the Fund is to track the performance of the Bloomberg Euro 0-3 Year Corporate Bond Index (or any other index determined by the Directors from time to time to track substantially the same market as the Bloomberg Euro 0-3 Year Corporate Bond Index and which is considered by the Directors to be an appropriate index for the Fund to track, in accordance with the Prospectus) (the "Index") as closely as possible, while seeking to minimise as far as possible the tracking error between the Fund's performance and that of the Index.

SPDR Bloomberg 0-3 Year U.S. Corporate Bond UCITS ETF

The investment objective of the Fund is to track the performance of the short-dated, fixed-rate, investment-grade U.S. Dollar-denominated corporate bond market. The investment policy of the Fund is to track the performance of the Bloomberg U.S. 0-3 Year Corporate Bond Index (or any other index determined by the Directors from time to time to track substantially the same market as the Bloomberg U.S. 0-3 Year Corporate Bond Index and which is considered by the Directors to be an appropriate index for the Fund to track, in accordance with the Prospectus) (the "Index") as closely as possible, while seeking to minimise as far as possible the tracking error between the Fund's performance and that of the Index.

SPDR Bloomberg 1-3 Month T-Bill UCITS ETF

The investment objective of the Fund is to track the performance of the short-term U.S. Treasury Bill market. The investment policy of the Fund is to track the performance of the Bloomberg U.S. Treasury Bills 1-3 Month Index (or any other index determined by the Directors from time to time to track substantially the same market as the Bloomberg U.S. Treasury Bills 1-3 Month Index and which is considered by the Directors to be an appropriate index for the Fund to track, in accordance with the Prospectus) (the "Index") as closely as possible, while seeking to minimise as far as possible the tracking difference between the Fund's performance and that of the Index.

SPDR Bloomberg 1-3 Year Euro Government Bond UCITS ETF

The investment objective of the Fund is to track the performance of the short-dated Eurozone government bond market. The investment policy of the Fund is to track the performance of the Bloomberg 1-3 Year Euro Treasury Bond Index (or any other index determined by the Directors from time to time to track substantially the same market as the Bloomberg 1-3 Year Euro Treasury Bond Index and which is considered by the Directors to be an appropriate index for the Fund to track, in accordance with the Prospectus) (the "Index") as closely as possible, while seeking to minimise as far as possible the tracking error between the Fund's performance and that of the Index.

SPDR Bloomberg 1-3 Year U.S. Treasury Bond UCITS ETF

The investment objective of the Fund is to track the performance of the short-dated U.S. Treasury bond market. SPDR STOXX Global Low Volatility UCITS ETF*

The investment objective of the Fund was to track the performance of global equity securities in developed markets which historically have exhibited low volatility characteristics. The investment policy of the Fund was to track the performance of the STOXX Global Low Risk Weighted Diversified 200 Index (or any other index determined by the Directors from time to time to track substantially the same market as the STOXX Global Low Risk Weighted Diversified 200 Index and which was considered by the Directors to be an appropriate index for the Fund to track, in accordance with the Prospectus) (the "Index") as closely as possible, while seeking to minimise as far as possible the tracking difference between the Fund's performance and that of the Index.

* The Fund terminated on 11 May 2023.

Directors' Report

The Directors present herewith their annual report and Financial Statements for the financial year ended 31 March 2024.

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law.

Irish law requires the Directors to prepare financial statements giving a true and fair view of the Company's assets, liabilities and financial position at the end of the financial year and the profit or loss of the Company for the financial year. Under that law the Directors have prepared the financial statements in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union ("EU").

Under Irish law the Directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the Company's assets, liabilities and financial position as at the end of the financial year and of the profit or loss of the Company for the financial year.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with IFRS and ensure that they contain the additional information required by the Companies Act 2014; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The financial statements have been prepared on a going concern basis as the Directors are of the view that the Company can continue in operational existence for period of at least twelve months from the date of approval of these financial statements (the period of assessment). The Directors anticipate the financial assets will continue to generate enough cash flows on an ongoing basis to meet the Company's liabilities as they fall due.

The Directors are responsible for keeping adequate accounting records that are sufficient to:

- correctly record and explain the transactions of the Company;
- enable, at any time, the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy; and
- enable the Directors to ensure that the financial statements and Directors' report comply with the Companies Act 2014 and enable those financial statements to be audited.

The Directors are responsible for safeguarding the assets of the Company. In this regard they have entrusted the assets of the Company to State Street Custodial Services (Ireland) Limited ("the Depository") who has been appointed as Depository to the Company pursuant to the terms of a Depository Agreement. The Directors have a general responsibility for taking such steps as are reasonably open to them to prevent and detect fraud and other irregularities.

The financial statements are published on the [ssga.com](https://www.ssga.com) website. The Directors, together with the Investment Manager are responsible for the maintenance and integrity of the financial information included on this website. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This Annual Report and Audited Financial Statements (the "Reports and Accounts") may be translated into other languages. Any such translation shall only contain the same information and have the same meaning as the English language Report and Accounts. To the extent that there is any inconsistency between the English language Report and Accounts and the Report and Accounts in another language, the English language Report and Accounts will prevail, except to the extent (and only to the extent) that it is required by law of any jurisdiction where the shares are sold, that in an action based upon disclosure in a Report and Accounts in a language other than English, the language of the Report and Accounts on which such action is based shall prevail. Any disputes as to the terms of the Report and Accounts, regardless of the language of the Report and Accounts, shall be governed by and construed in accordance with the laws of Ireland.

Relevant Audit Information

Insofar as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware and the Directors have taken all the steps that should have been taken as Directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Accounting Records

The Directors ensure compliance with the Company's obligation to maintain adequate accounting records by appointing competent persons to be responsible for them. The accounting records are kept by State Street Fund Services (Ireland) Limited, at 78 Sir John Rogerson's Quay, Dublin D02 HD32, Ireland.

Review of Business and Future Developments

The Company is an open-ended investment company with variable capital which has been authorised by the Central Bank under the UCITS Regulations. The principal activities and investment objectives of the Funds are outlined in the Background to the Company. A market summary and Fund performance are included under the Investment Managers' Reports.

Details of Net Asset Value and Net Asset Value per share are set out in each Fund's Statement of Financial Position and the Total Expense Ratio is set out in Note 3.

Directors' Report (*continued*)

Review of Business and Future Developments (*continued*)

There was no change in the nature of the Company's business during the financial year and the Directors do not anticipate any change in the structure or investment objectives of the Company.

Risk Management Objectives and Policies

The main risks arising from the Company's financial instruments are market risk, interest risk, liquidity risk and credit risk. Non financial risks would include management risk, market disruption/geopolitical risk, commodities risk, concentration risk, conflicts of interest risk and the Russia/Ukraine conflict and current unrest in the Middle East. For further information on risk management objectives and policies, please see Note 11 of these financial statements and the Prospectus and Supplements of the Company. For the impact of the Russian/Ukraine conflict please see Note 18.

Corporate Governance Statement

General Principles

The Company is subject to the requirements of the Companies Act 2014 and the UCITS Regulations as applicable to the Company.

The European Communities (Directive 2006/46/EC) Regulations (S.I. 450 of 2009 and S.I. 83 of 2010) (the "Regulations") requires the inclusion of a corporate governance statement in the Directors' Report.

Although there is no specific statutory corporate governance code applicable to Irish collective investment schemes whose shares are admitted to trading on an exchange, the Company is subject to corporate governance practices imposed by:

- (i) The Companies Act 2014 which are available for inspection at the registered office of the Company; and may also be obtained at <http://www.irishstatutebook.ie/>;
- (ii) The Articles of Association of the Company which are available for inspection at the registered office of the Company and at the Companies Registration Office in Ireland; and
- (iii) The Central Bank in their UCITS Notices and Guidance Notes which can be obtained from the Central Bank's website at: <https://www.centralbank.ie/regulation/industry-market-sectors/funds/ucits> and are available for inspection at the registered office of the Company.

On 14 December 2011, Irish Funds ("IF"), published a corporate governance code (the "IF Code") that may be adopted on a voluntary basis by Irish authorised collective investment schemes. The Board of Directors (the "Board") voluntarily agreed to adopt the IF Code on 25 July 2013, and was effective from that date. It should be noted that the IF Code reflects existing corporate governance practices imposed on Irish authorised collective investment schemes, as noted above. If the IF Code is adopted on a voluntary basis, it can be referred to in the disclosures

made in the Directors' Report in compliance with the provisions of the European Communities (Directive 2006/46/EC) Regulations (i.e. S.I. 450 of 2009 and S.I. 83 of 2010).

Internal Control and Risk Management Systems in Relation to Financial Reporting

The Board is responsible for establishing and maintaining adequate internal control and risk management systems of the Company in relation to the financial reporting process. Such systems are designed to manage rather than eliminate the risk of error or fraud in achieving the Company's financial reporting objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

The Board has procedures in place to ensure that all relevant accounting records are properly maintained and are readily available, including production of annual and half yearly financial statements. The Management Company has appointed State Street Fund Services (Ireland) Limited (the "Administrator") on the Company's behalf to maintain the books and records of the Company. The Administrator is authorised and regulated by the Central Bank and must comply with the rules imposed by the Central Bank. From time to time, the Management Company examines and evaluates the Administrator's financial accounting and reporting routines. The annual financial statements of the Company are produced by the Administrator and reviewed by the Investment Manager. They are required to be approved by the Board, and the annual and half yearly financial statements of the Company are required to be filed with the Central Bank.

During the financial year of these financial statements, the Board was responsible for the review and approval of the financial statements as set out in the Statement of Directors' Responsibilities. The statutory financial statements are required to be audited by independent auditors who report annually to the Board on their findings. The Board monitors and evaluates the independent auditors' performance, qualifications and independence. As part of its review procedures, the Board receives presentations from relevant parties including consideration of IFRS accounting standards and their impact on the annual financial statements, and presentations and reports on the audit process. The Board evaluates and discusses significant accounting and reporting issues as the need arises.

Dealings with Shareholders

The convening and conduct of Shareholders' meetings are governed by the Articles of Association of the Company and the Companies Act 2014. Although the Directors may convene an extraordinary general meeting of the Company at any time, the Directors were required to convene the first annual general meeting ("AGM") of the Company within eighteen months of incorporation and fifteen months of the date of the previous AGM thereafter, provided that an AGM is held within six months of the end of each financial year of the Company.

At least twenty-one clear day's notice of every AGM and any meeting convened for the passing of a special resolution must be given to Shareholders and fourteen days notice must be given in the case of any other general meeting, unless the auditors

Directors' Report (*continued*)

Dealings with Shareholders (*continued*)

and all the Shareholders of the Company entitled to attend and vote, agree to shorter notice. Two Shareholders present either in person or by proxy, constitutes a quorum at a general meeting. The share capital of the Company is divided into different classes of shares. The rights attached to any Class or Fund (unless otherwise provided by the terms of issue of the Shares of that Class or Fund or unless otherwise provided herein) may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that Class or Fund, or with the sanction of an Extraordinary Resolution passed at a separate general meeting of the holders of the Shares of that Class or Fund, to which the provisions of the Articles relating to general meetings shall mutatis mutandis apply, save that, where a Class or Fund has only one Shareholder holding voting Shares, the quorum at any such general meeting shall be one Shareholder holding voting Shares in such Class or Fund or one Subscriber Shareholder, present either in person or by proxy. Notwithstanding anything to the contrary contained in the Articles, a Subscriber Shareholder shall be entitled to receive notice, in accordance with the provision of article 19 of the Articles, of any general meeting of a Class or Fund. However, the Subscriber Shareholders shall only be entitled to vote at an adjourned general meeting of a Class or Fund which has been adjourned in accordance with the provisions of the Articles.

Every holder of participating shares or non-participating shares present, in person or by proxy, who votes on a show of hands is entitled to one vote. On a poll, every holder of participating shares present, in person or by proxy, is entitled to one vote in respect of each share held by him, and every holder of non-participating shares is entitled to one vote in respect of all non-participating shares held by him. At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairperson or by any Shareholder present in person or by proxy.

Shareholders may resolve to sanction an ordinary resolution or special resolution at a Shareholders' meeting. Alternatively, a resolution in writing signed by all of the Shareholders and holders of non-participating shares for the time being entitled to attend and vote on such resolution at a general meeting of the Company, will be valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company, duly convened and held.

An ordinary resolution of the Company (or of the Shareholders of a particular Fund or class of shares) requires a simple majority of the votes cast by the Shareholders voting, in person or by proxy, at the meeting at which the resolution is proposed. A special resolution of the Company (or of the Shareholders of a particular Fund or class of shares) requires a majority of not less than 75% of Shareholders present, in person or by proxy, and voting in a general meeting in order to pass a special resolution including a resolution to amend the Articles of Association of the Company.

Board Composition and Activities

In accordance with the Companies Act 2014 and the Articles of Association, unless otherwise determined by an ordinary resolution of the Company in a general meeting, the number of Directors may not be less than two or more than twelve. As at 31 March 2024, the Board is comprised of five non-executive Directors of whom three are independent. Details of the current Directors are set out below, under the heading "Directors".

The business of the Company is managed by the Directors, who exercise all such powers of the Company as set out by the Companies Act 2014 or by the Articles of Association of the Company required to be exercised by the Company in a general meeting.

The Board is responsible for the Company's overall direction and strategy, and to this end it reserves the decision making power on issues such as the determination of medium and long term goals, review of managerial performance, organisational structure and capital needs and commitments to achieve the Company's strategic goals. To achieve these responsibilities, the Board meets four times a year to review the operations of the Company, address matters of strategic importance and to receive reports from the Management Company, Administrator and Depositary. However, a Director may, and the Company Secretary on the request of a Director will, at any time summon a meeting of the Directors and ad hoc meetings in addition to the four meetings as required.

Questions arising at any meetings of the Directors shall be decided by a majority of votes. In the case of an equality of votes, the Chairperson of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote. The quorum necessary for the transaction of business at a meeting of the Directors is two.

The board meetings have been well attended during the financial year ended 31 March 2024.

Diversity Report

With respect to diversity, the Company has no employees and the only individuals engaged directly by it are its Directors. When there is a vacancy on the Company's Board of Directors, the objective is to ensure that the Board is diversified with an appropriate mix as regards age, gender and educational/professional backgrounds, while achieving compliance by all individuals with regulatory requirements and an overall composition with the requisite experience and skills. The implementation of the Board's diversity policy includes reviews of the balance of skills, knowledge, experience and diversity on the Board as detailed in the Board's Succession Plan. Selection decisions taken by the Board in the period have been based on merit and followed a recruitment process that was fair and non-discriminatory.

Directors' Compliance Statement

In accordance with Section 225 of the Companies Act 2014, the Directors:

Directors' Report (*continued*)

Directors' Compliance Statement (*continued*)

- acknowledge that they are responsible for securing the Company's compliance with its relevant obligations; and
- confirm that:
 - A compliance policy statement has been prepared setting out the Company's policies (that, in the Directors' opinion, are appropriate to the Company) for ensuring compliance by the Company with its relevant obligations;
 - An adequate structure is in place, that in the Directors' opinion, is designed to secure material compliance with the Company's relevant obligations; and
 - An annual review procedure has been put in place to review the Company's relevant obligations and ensure a structure is in place to comply with these obligations.

Results and Dividends

The results and dividends for the financial year are set out in the Statement of Comprehensive Income.

Events During the Financial Year

Please refer to Note 18 for significant events during the financial year.

Events Since the Financial Year End

Please refer to Note 19 for significant events since the financial year end.

Directors

The names of the persons who were Directors at any time during the financial year ended 31 March 2024 are set out below.

Ms. Barbara Healy* (Irish)
Ms. Kathleen Gallagher (Australian)
Ms. Ellen Needham (U.S.) (resigned on 1 May 2023)
Ms. Jennifer Fox* (Irish)
Mr. Tom Coghlan* (Irish) (appointed on 25 July 2023)
Mr. James Binny (British) (appointed on 22 November 2023)

*Independent Directors. All other Directors are non-independent Directors.

All the Directors are non-executive Directors.

The Directors' fees for the independent Directors during the financial year was USD 121,862 (31 March 2023: USD 128,510), the amount payable to the Directors at financial year end was USD Nil (31 March 2023: USD 11,679).

Directors' and Secretary's Interests

The Board is not aware of any shareholding in the Company by any Director or Secretary during the financial years ended 31 March 2024 and 31 March 2023, or at the date of appointment.

Independent Auditor

Ernst & Young was appointed as external auditors on 23 September 2021. Ernst & Young has indicated its willingness to remain in office in accordance with Section 383 (2) of the Companies Act 2014 (as amended).

Political donations

There were no political donations made during the financial year ended 31 March 2024 or 31 March 2023.

Audit Committee

SSGA SPDR ETFs Europe I plc has formed an Audit committee. Barbara Healy, Jennifer Fox and Tom Coghlan (appointed on 25 July 2023) sit on the Audit Committee and have been given oversight for financial reporting, external auditors and reporting responsibilities. The Audit committee meets at least once a year at appropriate times in the reporting and audit cycle.

Dealings with Connected Persons

Regulation 43(1) of the UCITS Regulations "Restrictions of transactions with connected persons" states that "A responsible person shall ensure that any transaction between a UCITS and a connected person is conducted a) at arm's length; and b) in the best interest of the shareholders of the UCITS".

As required under UCITS Regulation 81.4, the Directors, as responsible persons are satisfied that there are in place arrangements, evidenced by written procedures, to ensure that the obligations that are prescribed by Regulation 43(1) are applied to all transactions with a connected persons; and all transactions with connected persons that were entered into during the financial year to which the report relates complied with the obligations that are prescribed by Regulation 43(1).

On behalf of the Board:

Director Barbara Healy

Director Tom Coghlan

24 July 2024

Report of the Depositary to the Shareholders

We have enquired into the conduct of State Street Global Advisors Europe Limited as the Manager of the SSGA SPDR ETFs Europe I plc ('the Company') and into conduct of the Company itself for the financial year ended 31 March 2024, in our capacity as Depositary to the Company.

This report including the opinion has been prepared for and solely for the Shareholders in the Company as a body, in accordance with Regulation 34, (1), (3) and (4) in Part 5 of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended, ('the UCITS Regulations'), and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown.

Responsibilities of the Depositary

Our duties and responsibilities are outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations. One of those duties is to enquire into the conduct of the Company in each annual accounting period and report thereon to the Shareholders.

Our report shall state whether, in our opinion, the Company has been managed in that financial year in accordance with the provisions of the Company's Constitution (the "Constitution") and the UCITS Regulations. It is the overall responsibility of the Company to comply with these provisions. If the Company has not so complied, we as Depositary must state why this is the case and outline the steps which we have taken to rectify the situation.

Basis of Depositary Opinion

The Depositary conducts such reviews as it, in its reasonable opinion, considers necessary in order to comply with its duties as outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations and to ensure that, in all material respects, the Company has been managed (i) in accordance with the limitations imposed on its investment and borrowing powers by the provisions of the Constitution and the UCITS Regulations and (ii) otherwise in accordance with the Company's constitutional documentation and the appropriate regulations.

Opinion

In our opinion, the Company has been managed during the financial year, in all material respects:

(i) in accordance with the limitations imposed on the investment and borrowing powers of the Company by the Constitution, the UCITS Regulations and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 ('the Central Bank UCITS Regulations'); and

(ii) otherwise in accordance with the provisions of the Constitution, the UCITS Regulations and the Central Bank UCITS Regulations.

24 July 2024

Investment Managers' Report

Passive Fixed Income and Passive Equity Funds

Fund Performance

Passive Fixed Income Funds

Overall the SSGA SPDR ETFs Europe I Plc Fixed Income funds performed in line with their respective benchmark indices over the period 1 April 2023 - 31 March 2024 (the "Reporting Period"). The funds where performance tracking was wider than would normally be anticipated are explained below, wherever applicable.

Developed Market Government

Developed Market Government bond funds consist of both Sovereign/Treasury and Government-related exposures across Eurozone, US and UK bond markets. All the funds delivered results within +/- 3 bps, well within their respective risk and performance tolerances, except for the following:

SPDR Bloomberg U.S. Treasury Bond UCITS ETF (Dist) had a tracking difference of +5.3 bps relative to its benchmark. The major contribution to outperformance came from sampling (+3.1 bps), which includes effects from yield curve positioning, asset allocation and security selection. Specifically, security selection contributed +2.9 bps to the outperformance. Even though all exposures of the fund were within the limit, value add through security selection contributed to the outperformance. Trading gains during the Reporting Period contributed around +2.2 bps.

SPDR Bloomberg 10+ Year U.S. Treasury Bond UCITS ETF (Dist) had a tracking difference of +4.8 bps relative to its benchmark. The major contribution to outperformance came from security selection (+1.1 bps) and trading gains (+7.1 bps). Yield curve positioning overall during the Reporting Period detracted from the performance by -1.4 bps. Most of the tracking difference (+4 bps) came in the third quarter of 2023, owing to volatility in US Treasury yields. Even though all exposures were within the limit, market volatility in the third quarter brought some performance deviation as the fund is invested in long end US Treasuries.

SPDR U.S. TIPS UCITS ETF had a tracking difference of +7.4 bps relative to its benchmark. The major part of the tracking difference came in Q3 and Q4 2023 with outperformance coming from trading gains of +2.9 bps during the Reporting Period. Yield curve positioning during the Reporting Period detracted from performance by -1.7 bps. The residual tracking difference was a result of pricing differences during the period. These pricing differences usually reverse in the following months.

Investment Grade (IG) Corporates

Investment grade (IG) corporate bond funds, covering exposures across the US, Euro and Sterling markets, all tracked benchmark performance closely within +/-15 bps, except for the SPDR Bloomberg 10+ Year U.S. Corporate Bond UCITS ETF (Dist).

SPDR Bloomberg 10+ Year U.S. Corporate Bond UCITS ETF (Dist) had a tracking difference of +27.3 bps relative to its benchmark. The fund's asset under management is relatively small and is managed against a broad benchmark that leads to the need to sample the exposure. As a result, the fund

encounters tracking error driven by security selection. The major contribution to tracking difference came from sampling (+19.6 bps), which includes effects from yield curve positioning, asset allocation and security selection. Security selection in isolation contributed +15bps to outperformance. Specifically, being overweight to Comcast Corporation through sampling by 0.1% resulted in a contribution to outperformance of +1.1 bps. Yield curve positioning during the Reporting Period contributed +4 bps to outperformance.

Aggregates

Aggregate funds consist of a broad range of bond exposures covering Treasury, Government-related, Corporate and Securitized. All of the funds delivered results within +/-10 bps, well within their respective risk and performance tolerances for such funds.

High Yield

The sub-investment grade (or high yield) funds invest in corporate bonds that have high credit risk. Performance tracking tolerances are wider for these funds given the inherent volatility and lower liquidity of the asset class. Over the Reporting Period, all funds tracked the benchmark performance closely and delivered results within +/- 15 bps, except the SPDR Bloomberg SASB U.S. High Yield Corporate ESG UCITS ETF which underperformed the benchmark by +86.8 bps. The major part of the tracking difference (+58 bps) came in the second quarter of 2023. Security selection contributed +73.2 bps to outperformance during the Reporting Period. Being underweight by 0.3 % in Diebold Nixdorf Company resulted in a contribution of +16.9 bps to outperformance. The effects from 'stratified sampling' (not buying all the bonds) in terms of benchmark securities that were not in the portfolio contributed 25 bps to the outperformance, as these securities produced negative performance. Trading gains during the Reporting Period contributed around +6.8 bps to outperformance.

In the context of high yield strategy, 'stratified sampling' is applied, as trading costs are not as low as government bonds. Due to the nature of the product, the ETF has security selection skewed towards a more liquid spectrum of the universe, which resulted in a relatively faster repricing in an environment with sharply negative price momentum.

Emerging Markets

Emerging Market funds have wider risk and tracking tolerances, due to the higher volatility and lower liquidity inherent to the sector. Local currency debt funds generally have greater tracking differences due to tax charges inherent to some local markets. The funds within the strategy delivered results within +/- 15 bps, well within their respective risk and performance tolerance, with the exception of SPDR Bloomberg Emerging Markets Local Bond UCITS ETF (Acc).

SPDR Bloomberg Emerging Markets Local Bond UCITS ETF (Acc) had a tracking difference of -23.3 bps relative to its benchmark. Taxes paid by the fund detracted from performance by -20.9 bps. Tax detractions majorly came from Indonesia (-8.6 bps) and The Philippines (-4.8 bps). Contributions from sampling

Investment Managers' Report (*continued*)

Passive Fixed Income and Passive Equity Funds (*continued*)

Emerging Markets (*continued*)

amounted to +2.1 bps, with major contributors being Colombia (+5.5 bps), South Korea (+1.5 bps) and Turkey (+1.2 bps). These contributions were offset by sampling detractors from the Philippines (-1.5 bps), Mexico (-1.1 bps) and Hungary (-1.0 bps). Trading gains contributed to outperformance by +2.2 bps.

Market Review

From the start of the Reporting Period, bond markets saw a decline in volatility from the elevated levels observed in the first quarter of 2023. Economic data diverged across regions, exceeding expectations in the USA and the United Kingdom, but stayed below expectations in the Eurozone and China. Consequently, government bond yields were on an increasing trend in the USA and UK, but remained range-bound in the Eurozone and on a declining trend in China. While most central banks had reached the end of their rate increasing cycle, resilient growth and the possibility of inflation reigniting meant that markets anticipated rates to remain at their current rates for the near future. In the first half of the Reporting Period, the US Federal Reserve (the "Fed") increased its policy rate once by 25 bps in its July meeting, taking it from 5.25% to 5.50%. The European Central Bank (the "ECB") increased its policy rate by a total of 100 bps in the same timeframe, taking it from 3.5% to 4.5%. The Bank of England (the "BoE") also raised its interest rate from 4.25% to 5.25% in this timeframe. However, in a stark contrast, the People's Bank of China (the "PBoC") announced a series of policy easing measures in June.

In the second half of the Reporting Period, global bond markets witnessed deteriorating economic conditions and government bond yields were largely on a downward trend in most economies. The consumer price inflation rate came down in most developed economies. While headline inflation had eased and commodity prices had declined, pockets of core inflation remained a concern for investors and policy makers towards the end of 2023. The global tightening cycle of major central banks was quite advanced, however central banks remained keen to keep interest rates 'higher for longer' to ensure that inflationary pressures declined in a sustained manner. Markets repriced the timing for the commencement of monetary easing by the Fed, with expectations of the first rate cut being pushed further into 2024. The ECB and BoE also retained their policy rates at 4.5% and 5.25% respectively, during the second half of the Reporting Period. The Swiss Central Bank however surprised markets in March, commencing their policy easing by lowering the interest rate by 25 bps, taking it to 1.5%.

The US 10-year Treasury yield closed at 4.20% (ending March), increasing from the level of 3.47% at the start of the Reporting Period. The shorter term bonds saw a greater increase with US 2-year Treasuries rising to 4.90% from the level of 4.03% at the beginning of the Reporting Period. Earlier in the Reporting Period, the inversion in the US 2-year – 10-year curve reached near the highest level seen over the past several decades. Meanwhile in Europe, core inflation was mostly on a downward

trajectory, however headline inflation moved sideways. The yield on German 10-year bonds ended the Reporting Period at 2.30%, reversing to similar levels (2.29%) observed during the beginning of the Reporting Period. Italian and Spanish 10-year bonds decreased to 3.68% and 3.16% respectively from starting levels of 4.09% and 3.30%. The shorter term side of the European yield curves saw movements late in the Reporting Period, with the 2-year German bonds closing at 2.85% ending March, compared to 2.67% at start of the period. Towards the end of the Reporting Period, corporate credit spreads remained flat in the US but continued to tighten in Europe and in the UK.

Emerging Market ("EM") debt in the beginning of the Reporting Period struggled for direction in the aftermath of the market turbulence that stemmed from banking sector concerns in the US and Europe. Investor concerns eased later in April 2023 as strong US bank earnings reports provided greater comfort around balance sheets. Performance in May was hit by concerns surrounding a possible US debt default as debt ceiling talks dragged on. However, the end of May brought relief in the form of a tentative agreement between US President Joe Biden and Speaker of the House Kevin McCarthy to raise the US debt ceiling. EM assets were subject to weaker risk sentiment early in the second half of the Reporting Period, as US Treasury yields surged and negative growth headlines emerged from China. EM debt had a cautious start to 2024, having experienced a strong rally towards the end of 2023. Hopes that the Israel-Hamas war would not be prolonged ebbed, with rising fears of a further escalation weighing on risk sentiment and sending oil prices higher.

The broad EM inflation outlook for 2024 continued to be positive, despite a spike in commodity prices. In China, a weak growth outlook prevailed due to a stagnation in the property sector and the lack of a meaningful growth stimulus. In January, the PBoC announced a reduction in the reserve requirement ratio for all banks by 50 bps to 10% from February 5, releasing up to 1 trillion yuan (\$139.45 billion) of liquidity. China's local bond yields declined to multi-decade lows in February, as the PBoC announced a larger than expected cut in the five-year loan prime rate (reference rate for mortgages) by 25 bps to 3.95% in February. The 1-year loan rate stood at 3.45% at the end of the Reporting Period, contrary to market expectations of a rate cut in March.

Passive Equity Funds

There were no new ETFs launched over the Reporting Period.

All the funds were within the anticipated 1-year annual ex-post tracking error number. However, it should be noted that 1-year ex post tracking error is a short period to understand whether a fund is within acceptable tolerance, a 3-year figure is more in line with industry standards.

Additional information is provided on funds where the tracking difference was +/- 0.10% on a gross-of-fees basis or where the 1-year tracking error may be perceived to be high over the Reporting Period:

Investment Managers' Report (*continued*)

Passive Fixed Income and Passive Equity Funds (*continued*)

Passive Equity Funds (*continued*)

- The SPDR MSCI ACWI IMI UCITS ETF's underperformance (-0.15%) was mainly attributed to security misweights.
- The SPDR S&P Euro Dividend Aristocrats ESG UCITS ETF's outperformance (0.64%) was mainly attributed to withholding tax.
- The SPDR S&P Global Dividend Aristocrats ESG UCITS ETF's outperformance (0.46%) was mainly attributed to withholding tax.
- The SPDR S&P U.S. Dividend Aristocrats ESG UCITS ETF's outperformance (0.47%) was mainly attributed to withholding tax.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC

Report on the audit of the financial statements

Opinion

We have audited the financial statements of SSGA SPDR ETFs Europe I plc ('the Company') for the year ended 31 March 2024, which comprise the Company Statement of Financial Position, Company Statement of Comprehensive Income, Company Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares, Company Statement of Cashflows and notes to the financial statements, including the material accounting policy information set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and International Financial Reporting Standards (IFRS) as adopted by the European Union.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 March 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with IFRS as adopted by the European Union; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014, the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011, and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard as applied to public interest entities issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the directors' assessment of the Company's ability to continue to adopt the going concern basis of accounting included:

- Confirming our understanding of management's Going Concern assessment process and also engaged with management to understand the key factors which were considered in their assessment;
- Obtaining management's going concern assessment, which covers a year from the date of approval of the financial statements;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

- Reviewing and evaluating the reasonability of the key factors considered by management in making their assessment of going concern including consideration of the availability of liquid assets to meet ongoing operational costs and known future capital activity in the Company. In assessing these, we obtained and reviewed the liquidity terms which the Company offers to investors together with reviewing post year-end capital activity and corroborated through enquiry of management as to whether there are any subsequent events, including Company performance, that might give rise to conditions which could lead management to discontinue the operations of the Company.
- Reviewing the Company's going concern disclosures included in the annual report in order to assess that the disclosures were appropriate and in conformity with the reporting standards.

Conclusion

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period and include the most significant assessed risks of material misstatement (whether or not due to fraud) that we identified, including those which had the greatest effect on: the overall audit strategy, the allocation of resources in the audit; and directing the efforts of the engagement team. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Risk	Our response to the risk	Key observations communicated to the Audit Committee
<p>Existence of financial assets and financial liabilities at fair value through profit or loss</p> <p>We have considered existence of financial assets at fair value through profit or loss (with a fair value of USD 59,469,521,534 (2023: 45,850,050,484)) and financial liabilities at fair value through profit or loss (with a fair value of (USD (48,429,074)) (2022: (USD 19,958,338))) as a key audit matter as it is a key driver of the Company’s’ performance and net asset value.</p> <p>Refer to Note 1 and Note 12 in the financial statements.</p>	<p>We assessed the reasonableness of the existence for all financial assets and financial liabilities at fair value through profit or loss by:</p> <ul style="list-style-type: none"> ▶ Obtaining the Service Organisation Controls (‘SOC1’) report for State Street Fund Services (Ireland) Limited, including the report of their independent accountants thereon and gained an understanding and evaluated the design, implementation and operating effectiveness of controls over the reconciliation process for financial assets and financial liabilities at fair value through profit or loss. ▶ Checking that material reconciling items are valid reconciling items and obtaining supporting documentation and checking whether they were resolved in an appropriate time. ▶ Agreeing financial assets and financial liabilities at fair value through profit or loss held within the depository network to an independently obtained depository confirmation. ▶ Agreeing financial assets and financial liabilities at fair value through profit or loss held outside the depository network, to independent counterparty confirmations or post year end bank statements. 	<p>No issues have been noted from the performance of our procedures over this key audit matter.</p>

Risk	Our response to the risk	Key observations communicated to the Audit Committee
<p>Valuation of financial assets and financial liabilities at fair value through profit or loss</p> <p>We have considered valuation of financial assets at fair value through profit or loss (with a fair value of USD 59,469,521,534 (2023: USD 45,850,050,484)) and financial liabilities at fair value through profit or loss (with a fair value of USD (48,429,074) (2023: (19,958,338))) as a key audit matter as it is a key driver of the Company's performance and net asset value.</p> <p>Refer to Note 1 and Note 12 in the financial statements.</p>	<p>We assessed the reasonableness of the valuation for all financial assets and financial liabilities at fair value through profit or loss by:</p> <ul style="list-style-type: none"> ▶ Obtaining the Service Organisation Controls ('SOC1') report for State Street Fund Services (Ireland) Limited, including the report of their independent accountants thereon and gained an understanding and evaluated the design, implementation and operating effectiveness of controls over the valuation process for financial assets and financial liabilities at fair value through profit or loss. ▶ Testing the value of financial assets and financial liabilities at fair value through profit or loss using independent market vendors and comparing the prices to the investment portfolio or recalculating fair value using industry standard models, assessing the reasonableness of the assumptions and data inputs used by the Directors to value these financial assets and financial liabilities at fair value through profit or loss. 	<p>No issues have been noted from the performance of our procedures over this key audit matter.</p>

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Our application of materiality

We apply the concept of materiality in planning and performing the audit, in evaluating the effect of identified misstatements on the audit and in forming our audit opinion.

Materiality

The magnitude of an omission or misstatement that, individually or in the aggregate, could reasonably be expected to influence the economic decisions of the users of the financial statements. Materiality provides a basis for determining the nature and extent of our audit procedures.

We determined materiality for the Company to be 0.5% (2023: 0.5%) of each of the Company's fund's Net Asset Value. We believe that Net Asset Value provides us with appropriate measurement basis since the users of the financial statements may focus more on this than on earnings.

During the course of our audit, we reassessed initial materiality and made no changes to it.

Performance materiality

The application of materiality at the individual account or balance level. It is set at an amount to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements exceeds materiality.

On the basis of our risk assessments, together with our assessment of the Company's overall control environment, our judgement was that performance materiality was 75% (2023: 75%) of our planning materiality. We have set performance materiality at this percentage based on our assessment of the risk of misstatements, both corrected and uncorrected. We have set performance materiality at this percentage due to our knowledge of the Company and Industry, effectiveness of the control environment and our assessment of the risks associated with the engagement.

Reporting threshold

An amount below which identified misstatements are considered as being clearly trivial.

We agreed with the Board of Directors that we would report to them all uncorrected audit differences in excess of 5% of our defined materiality, as well as differences below that threshold that, in our view, warranted reporting on qualitative grounds.

We evaluate any uncorrected misstatements against both the quantitative measures of materiality discussed above and in light of other relevant qualitative considerations in forming our opinion.

An overview of the scope of our audit report

Tailoring the scope

Our assessment of audit risk, our evaluation of materiality and our allocation of performance materiality determine our audit scope for the Company. This enables us to form an opinion on the financial statements. We take into account size, risk profile, the organisation of the Company and effectiveness of controls, including controls and changes in the business environment when assessing the level of work to be performed. All audit work was performed directly by the audit engagement team.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based solely on the work undertaken in the course of the audit, we report that:

- the information given in the directors' report for the financial year ended for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

In addition we report, in relation to information given in the Corporate Governance Statement on page 15, that:

- ▶ based on knowledge and understanding of the company and its environment obtained in the course of our audit, no material misstatements in the information identified above have come to our attention;
- ▶ based on the work undertaken in the course of our audit, in our opinion:
 - the description of the main features of the internal control and risk management systems in relation to the process for preparing the financial statements are consistent with the financial statements and have been prepared in accordance with the Companies Act 2014; and
 - the Corporate Governance Statement contains the information required by the Companies Act 2014.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Matters on which we are required to report by exception

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures required by sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 14, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as going concerns, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Explanation to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud, that could reasonably be expected to have a material effect on the financial statements. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. In addition, the further removed any non-compliance is from the events and transactions reflected in the financial statements, the less likely it is that our procedures will identify such non-compliance. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the Company and management.

Our approach was as follows:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant are the Companies Act 2014, the Undertaking for Collective Investment in Transferable Securities pursuant to the provisions of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 and the Central Bank (Supervision And Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 .

We understood how the Company is complying with those frameworks by updating our understanding of the adequate system of internal control in place. We also considered the existence of independent service providers, proper segregation of duties and the regulated environment in which the Company operates, which may reduce opportunities for fraud to take place.

We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by management override of controls.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved inquiries to those charged with governance into possible instances of non-compliance with laws and regulations, review of board meeting minutes during the year and obtaining representation from the management.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf.

This description forms part of our auditor's report.

working world**

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SSGA SPDR ETFS EUROPE I PLC (CONTINUED)

Other matters which we are required to address

We were appointed by the Directors on 23 September 2021 to audit the financial statements for the year ended 31 March 2022 and subsequent financial periods. The period of total uninterrupted engagement including previous renewals and reappointments of the firm is 3 years.

The non-audit services prohibited by IAASA's Ethical Standard were not provided to the Company and we remain independent of the Company in conducting our audit.

Our audit opinion is consistent with the additional report to the Board of Directors.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.
