The entry and exit charges shown are maximum figures. In some cases you might pay less. You can find this out from your financial adviser.

(*) The ongoing charges figure shown here is an estimate of the charges. Due to recent change in the fees structure, an estimate is used rather than an ex-post figure. This figure may vary from year to year. It excludes:

- Performance fees.
- Intermediary charges, except in the case of entry and/or exit charges paid by the sub-fund when buying or selling units in another collective investment scheme. In case of conversion, the investors may be charged a maximum fee of 1.5%.
