## What is this product?

**Type:** Shares of VPV-SPEZIAL AMUNDI, an undertaking for collective investment in transferable securities (UCITS), established as an investment fund.

This is a UCITS investment fund established in Germany. The VPV-SPEZIAL AMUNDI investment fund is a collective investment undertaking which collects capital from a number of investors in order to invest it in accordance with a defined investment strategy for the benefit of these investors.

**Term:** The term of the Fund is open-ended. The Management Company may terminate the Fund by dissolution or merger with another fund, in accordance with the legal provisions.

**Objectives:** The aim of the Fund Management is to achieve a better performance than the benchmark (STOXX Europe 501) taking into account the risks taken and the development of the capital markets. The benchmark is not tracked by the Fund, but serves as the starting point for allocation decisions. The investment markets are invested in via permitted assets in accordance with the investment conditions. The investments are actively managed. The Fund structure and performance may therefore differ significantly, i.e. also in the long term and/or completely, both positively and negatively, from the benchmark. The Fund is classified in accordance with Article 6 of the Disclosure Regulation.

To achieve its objective, at least 51% of the value of the Fund is invested in fully paid-up equities and interest-bearing securities of issuers based in Europe. The value of the equities in the Fund must not be less than 70% of the value of the Fund.

The Fund may also invest in asset classes, currencies, regions and assets outside the benchmark and may use derivative transactions for hedging, speculative purposes and efficient portfolio management. In addition, the Fund may invest in accordance with the "General and Special Conditions of Investment".

**Intended retail investors:** This product is intended for investors with a basic knowledge and with no or limited experience of investing in funds, seeking to increase the value of their investment over the recommended holding period and who are able absorb losses up to the investment amount.

**Redemption and dealing:** Shares may be sold (redeemed) as stated in the prospectus and investor information document at the respective dealing price (net asset value), subject to suspension of redemption by the Management Company owing to extraordinary circumstances. Further details can be found in the prospectus or the investor information document of VPV-SPEZIAL AMUNDI.

**Distribution policy:** The Fund income is ordinarily distributed.

## What are the risks and what could I get in return?

### RISK INDICATOR

The risk indicator assumes you keep the product for six years.

Lower risk

Higher risk

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 4 out of 7, which is a medium risk class. The risk of potential losses from future performance is therefore classified as medium. In unfavourable market conditions, it is possible that our ability to pay you will be compromised.

Additional risks: Market liquidity risk could amplify the variation of product performances.

This product does not include any protection from future market performance so you could lose some or all of your investment.

Beside the risks included in the risk indicator, other risks may affect the Product's performance. Further information can be found in the prospectus or the investor information document of VPV-SPEZIAL AMUNDI.
